solution inside**

# JORJIN inside : EPSON BT-200

INTRODUCING THE NEXT GENERATION

# MOVERIO BT-200

The image shows the Epson Moverio BT-200 smart glasses, which are black with silver accents. The lenses display a 3D visualization of a mechanical part. To the left of the glasses is a black rectangular charging dock with the Epson logo, connected by a cable. The background is dark with a futuristic, glowing green and red interface overlay.
