

2016年可持续材料国际会议

尊敬的_____先生/女士，您好！

2016年可持续材料国际会议将于2016年08月在成都召开。

会议通知

2016年可持续材料国际会议 | 2016年8月25-27日 中国，成都

2016年可持续材料国际会议(ICOSM2016)将于2016年8月25日至27日在中国，成都举行。这次会议将提供一个优秀的国际学术平台，以供可持续材料领域的研究人员和从业人员分享最前沿领域的发展成果。本次会议结合学术界和工业界成就，以供各方交换想法以及认清此领域相关人员所面临的挑战，并鼓励团体成员间的未来合作。无论您是某一行业从业者，理工科学术或研究生还是这一领域的学术研究者，本次会议都将为您提供一个极好的机会分享您的研究成果。

Conference Committees/ 大会委员会

Conference Committee Chairs 大会主席

Prof. Muhammad Yahaya, Universiti Kebangsaan Malaysia, Malaysia

Program Committee Chairs 大会程序委员会主席

Prof. Hishamuddin Jamaluddin, Universiti Teknologi Malaysia, Malaysia

Prof. M. Chandrasekaran, Vels University, India

International Technical Committees 大会技术委员会

Prof. Yu-Liang Chen, Chung Cheng Institute of Technology, National Defense University, Taiwan

Prof. Dr.Nikoloz Jalabadze, Institute of Physical Material Science and Technology (IPMST) Georgian Technical University in Tbilisi, Georgia

Prof. Usman Sudjadi, National Nuclear Energy Agency, Indonesia

Prof. Ming-Liang Liao, Air Force Institute of Technology, Taiwan

Assoc. Prof. Dr. Pankaj K. Srivastava, Rewa Engineering College, Rewa (M.P.), INDIA

Assoc. Prof. Abdul Waris, Institut Teknologi Bandung, Indonesia

Prof. I. N.G. Wardana, Department of Mechanical Engineering, Universitas Brawijaya, Indonesia

Prof. Jee-Sang Kim, Department of Civil Engineering, SeoKyeong University, Korea

会议日程

会议安排（暂定）

8月25日（10:00-16:00）参会人员签到领取会议物品

8月26日（9:00-12:00）专家报告

8月26日 (13:30-18:30) 作者报告

8月27日 (10:00-17:00) 一日游

会议嘉宾

Prof. Muhammad Yahaya

Universiti Kebangsaan Malaysia, Malaysia

Biography: Born in 1947 in Bukit Mertajam, Penang. Graduated with a Ph.D from Monash University, Australia in 1979. Appointed Lecturer, Dept. of Physics, UKM in August 1973; Associate Professor, Dept of Physics, UKM in January 1983; and Professor since July 1994. Invited as a Fulbright-Hays Visiting Scientist at the Brown University, USA during 1985, Visiting scientist to KFA, Julich, Germany (1985), University of Reading (1993), Loughborough University of Technology (1995), Warwick (1995), Kyoto University (1995) and appointed Deputy Dean, Faculty of Physical and Applied Sciences, UKM from July 1986 to October 1994. Appointed Deputy Dean, Centre of Postgraduate Studies UKM since July 1, 1994. Area of expertise: Solid State Physics, Energy and Thin Films. Current research interests include preparation and characterization of thin films for electronic devices and energy conversion, LB Films; Solid Ionics; Computational Physics. Has published more than 80 publications that appear in international and local scientific journals. Edited several books that include Recent Advances in Thin Films (1993), Material Science and Natural Resources (1991) and Solid Ionics (1992). Authored Mechanics, Electricity, Thermal Physics, Modern Physics, Solid State Physics, Magnetisms, Quantum Mechanics in 1996.

Member of Advanced Materials Council -MPKSN (1993-Now); currently, Chairman, Intersociety Physics Terminology Committee, Sub-Committee on the Terminology of Philosophy of Science; Technical Advisory Committee, MPM; Fellow, Malaysian Institute of Physics (1980-now); President, Malaysian Solid State Science and Technology Society (1993-now).

Associate member to ICTP (1980-1995), Chairman International Conference on Teaching Aids in Physics Education (1981); International Workshop in Solid Ionics (1993), Asian Conference on Solid Ionics (1994). Participated as an associate member of The Language Council of Indonesia, Malaysia and Brunei Darussalam on the scientific terminology sessions in Jakarta (March '91); Brunei (June '91); Kuala Lumpur (Sept '91); Brunei (Nov '91); Jakarta (May '92). Member, Malaysian delegation to the energy expert meeting (October 1993); member, Council of The Asian Solid State Ionics Society (1991-now)
